WELCOME

to the BMHS 2022 Easter Event. We are more than ready to welcome you all after missing two years thanks to a worldwide pandemic! Whatever your discipline or interest we can offer help and advice in an ideal learning environment.

We are delighted to have Mike Goebig and Dwayne Knowles join us again. Can you believe it has been 3 years since their last visit?

Mike and Dwayne enjoyed a fantastic show season last year in spite of COVID. They literally blew the competition out of the water at Grand Nationals in 2021, taking home **NINE** World and Reserve World Championships - their horses were simply amazing! We are so lucky to have their expertise at our fingertips for four whole days. Let's make the very most of it!

Following our Easter Event, we hope that you will be inspired to join us at any one of the Foreign Breed shows that are listed on our Calendar. Another very important date for your diary is the **BMHS Foreign Breed Show** at Moreton Morrell on the 23rd July 2022. There are a huge selection of Morgan and Foreign Breeds classes and something for everyone. This is **OUR** show and we need our Members to support it as much as they can. Tell your friends, spread the word and support your Society!

We can't wait to see you all.

We will run an In Hand Class, a Walk, Trot Ridden Class and finally, a Walk, Trot, Canter Ridden Class. All divisions will compete together in each class and the classes will be placed but will then be followed by a discussion on why the class was placed that way and helpful tips will be given on how you could enhance your performance for next time.
