WELCOME

to the BMHS 2025 Easter Event. We are more than ready to see you all to kick off the 2025 season and the 50th Year of the BMHS. Whatever your discipline or interest we can offer help and advice in an ideal learning environment.

We are beyond delighted to have TEAM BROADMOOR Mike Goebig, Dwayne Knowles and John Velardi join us this year. It is an utter privilege to have the wealth of experience and extensive knowledge they bring with them at our disposal. In addition, we also have the honour and pleasure of welcoming many of our Morgan friends from around the globe who are joining us to celebrate the 50th Anniversary of the British Morgan Horse.

We are thrilled to introduce John Velardi who joined Broadmoor in January of 2020. Mike Goebig and Dwayne Knowles both recognize Velardi as a valuable addition to the team. "He is a motivated learner and an amazing asset to the Broadmoor team," Goebig noted. Velardi appreciates the training expertise of Goebig and Knowles, saying, "They share so much knowledge about horses and life. One key lesson I've learned is that there are many ways to train horses. If something doesn't work, try another approach." At Broadmoor, Velardi has been honing his skills with junior horses. "What I enjoy most about working with young horses at Broadmoor is how they improve my training skills. They teach you timing, patience, and creativity," he said. Some of the World, National, and Regional Champions John has been associated with include CN Awaited Masterpiece, Parisian Red, Newmont's French Bellboy, Treble's Exquisite, CN Restless Love, Get Lucky, Ledyard Thunderbolt, Close Up, Wingman, VDM Game On, Akira Hamilton, Ledyard Unity, Party Trick, Mesmer-Eyes, Professor Higgins, MJS Black Velvet, Enchantinglee, and Dressed In Roses CH.

Having the opportunity this year to celebrate 50 Years of the British Morgan Horse at Brinsop Court on Sunday 20th April with so many members, old and new is fantastic.

Let's make the very most of this extra special CELEBRATION!

We can't wait to see you all.
